# SPRING INTO RENEWAL: EMBRACE HERITAGE, CELEBRATE FREEDOM AND ENJOY THE SEASON IN TAMARAC

As we enter the vibrant months of April, May and June, we are reminded of the beauty of new beginnings—both in nature and our daily lives.

Spring is here, inviting us to refresh, renew and reconnect with the world around us. With the changing season comes a sense of hope, growth, rejuvenation and spring allergies!

We have an exciting lineup of events throughout spring, including watching the latest blockbuster releases during one of our Movie in the Park series, or finding your groove during our musical events. Visit Peter Cottontail and hunt for colorful, candy-filled eggs at Springfest. And, of course, We wish a heartfelt Happy Mother's Day and Father's Day to all the wonderful parents out there!

In June, we celebrate Juneteenth, a holiday that honors the emancipation of enslaved African Americans and the end of slavery in the United States. It's a time to learn, share stories, unite and remember the journey toward freedom.

As we also enter Caribbean Heritage Month in June, the Caribbean has influenced much of our

shared history in Tamarac. Visit local cultural events, indulge in Caribbean cuisine and enjoy the rhythms of calypso, dancehall, konpa and reggae as we honor this rich heritage. Tamarac is a wonderful place to immerse yourself in these celebrations.

Spring break is just around the corner, and it's the perfect time to unwind and explore the beauty of Tamarac. Spend your days basking in the sun at one of the local parks, indulge in delicious food at our local eateries or take a leisurely stroll through one of the City's scenic spots. Our vibrant community offers an escape from the hustle and bustle—without having to go too far. So, pack a picnic, grab your loved ones and enjoy all the beauty our City offers.

April, May and June offer so much to celebrate. As we embrace the spring season, let's be sure to celebrate the important holidays, honor our histories and rejuvenate ourselves.

Remember to follow us on social media to stay informed about our events this spring!

## Commission Editorial Mayor Michelle J. Gomez

Dear Neighbors,

Kudos to Emily and Melanie Altuve and their mom who saved a two-year old boy from drowning! It was an honor to talk with Emily, and join Challenger Elementary's Principal Zdanowicz, Asst. Principal Dunbar-Creary, and Teacher Ms. Hollis in celebrating Emily's heroism.

Thank you to the 400+ people who came out to support the 2025 Furever Friends Pet Expo! Commissioner Wright and I are grateful to the eight pet rescues and companion organizations along with the American Red Cross who conducted pet CPR sessions, Tamarac Fire Rescue who conducted hands-only CPR, and over 40 pet and people vendors. Visit [www.Tamarac.me/FureverFriends2025](http://www.Tamarac.me/FureverFriends2025) to view photos from the event and stay tuned for the 2026 Pet Expo date soon.

At this time of year, we come together as a grateful nation to honor the service and sacrifice of the men and women of our military. We recognized Vietnam War Veterans on March 29th, observe National Military Appreciation Month in May and Memorial Day on May 26th, celebrate Women Veterans on June 12th and recognize Korean War Veterans on July 27th. We honor and thank these heroes each and every day!

Personal note: On March 1st, our sweet little Rosco took the peaceful passage over the rainbow bridge. He was a rescue who was loved and adored. Rosco gave us a great life of unconditional love and joy! He made everyone smile when he'd visit City Hall and walked around Paws with Claus. To say Rosco will be missed is an understatement, but we know he is in a place full of continuous belly-rubs, unlimited treats, and endless love!

Happy Passover, Easter, Mother's Day, Memorial Day, Father's Day, Eid al-Adha, Juneteenth, and first day of summer! And congratulations, graduates!

Warm regards,

Michelle

## Commission Editorial Vice Mayor Kicia Daniel, District 4

Spring is in full bloom, and with it comes fresh opportunities to connect, grow, and make a meaningful impact in our community. As we move through April, May, and June, I want to take a moment to celebrate our shared progress and highlight what’s ahead.

From introducing residential assistance programs to keeping our sidewalks clean and accessible, we’ve been hard at work addressing the needs of our community. Through initiatives like expanded driveway permits and first-time homebuyer support, we’re helping residents navigate important changes and opportunities. Additionally, our ongoing efforts in sidewalk cleaning and infrastructure improvements continue to create a safer, more welcoming environment for everyone.

April kicked-off following an incredible gala where we honored outstanding women advocating for our City. In May, we’re looking forward to the Neighborhood District 4 Meeting May 29, at 6:30 p.m. (location to be announced) where we’ll discuss key neighborhood developments. June will bring continued engagement, with updates on golf course renovations and more community-driven initiatives.

One of the most exciting ways we’re staying connected is through our new “Chew & Chat” series—an opportunity to sit down in your neighborhood and talk about the issues that matter most. Our recent

discussions have helped residents voice concerns on parking, expanding sidewalks, and other community improvements. We’ve also welcomed the Code Department into these conversations to provide real-time answers and solutions.

As your Vice Mayor, I’m here to support you. Your voices drive the change we make, and together, we’re creating a City that listens, grows, and thrives. Stay engaged, get involved, and let’s keep the momentum going!

Follow my Instagram @DrKiciaDanielViceMayor for updates. I look forward to seeing you out and about this spring!

## Commission Editorial Commissioner Marlon Bolton, District 1

**H**ello Friends,

I am thrilled to share with you some upcoming projects that will enhance our community's quality of life, infrastructure, and neighborhoods to the tune of \$38 million! As your Commissioner, I am committed to ensuring that our district remains a great place to live, work, and play.

**1. Eastside Community Center:** A \$10 million project (FY25/FY26) that will transform the old Shaker Village clubhouse site into a vibrant community center with a 5,000-square-foot center, playground, public art, multi-purpose path, picnic shelter, courts, fishing pier, landscaping, lighting, security, and Wi-Fi.

**2. Buffer Wall Projects:** The City will be undertaking two buffer wall projects to enhance noise reduction, privacy, and aesthetics. The Buffer Wall - Bailey Rd. project (\$400K, FY 25/26) will install 4,349 feet of precast walls along Bailey Rd., benefiting the Lakes of Carriage Hills and Banyan Lakes communities. Additionally, the Citywide Buffer Wall project (\$3.85M, Winter 2024-Winter 2025) will strengthen privacy and aesthetics with 4,620 feet of precast walls along Pine Island Rd., Commercial Blvd., and Rock Island Rd., impacting Districts 1 and 3.

**3. Sabal Palm Park Upgrades:** Exciting improvements are coming to Sabal Palm Park at Central Parc. A \$7.5M expansion project (Spring 2025-Fall 2026) will transform the park with a playground, splash pad, pickleball courts, dog park, and picnic shelters. Additionally, a \$300K Fiber Network Expansion project (Spring 2025-Spring 2026) will extend underground fiber from Fire Station 78 to the park, enabling public Wi-Fi and surveillance upgrades.

**4. Caporella Park Overflow Parking:** A \$1M project (Fall 2024-Winter 2025) that will add more parking, ADA improvements, security lighting, and

fiber upgrades for better parking accessibility.

**5. East Side Water Distribution Expansion:** A \$14M project (Summer 2025-Fall 2027) that will strengthen water reliability by connecting the eastern and western distribution systems.

**6. Gateway Landscape Improvements:** The City will be undertaking a two-phase project to enhance the gateways to our City. Phase 1 (\$500K, Summer 2024-Winter 2025) will focus on enhancing the gateways at Pine Island Rd. & Commercial Blvd., Rock Island Rd. & Bailey Rd., and University Dr. & Southgate Blvd., impacting Districts 1, 2, and 4. Phase 2 (\$452K, February 2025-Spring 2026) will specifically enhance the Commercial Blvd. and Turnpike gateway in District 1 with refreshed landscaping, restored pavers, and improved signage visibility.

I am excited to see these projects come to fruition and look forward to sharing updates with you throughout the process. If you have any questions or concerns, please do not hesitate to reach out to me or my office. Thank you for your continued support.

Until Next Time!

Best regards,

Marlon D. Bolton, Commissioner, District 1

Fueling the passion of Challenger Elementary's amazing teachers and staff! Honored to show our appreciation for all that they do with a special gift of gas cards!

## Commission Editorial Commissioner Morey Wright, District 2

**H**ello Neighbors

As we transition into the vibrant spring and summer seasons, I would like to extend my best wishes for a safe, enjoyable and relaxing time ahead.

Recently, the Tamarac Mayor, Commission and City Manager traveled to Tallahassee to meet with legislators about important issues, including the rising cost of home insurance. We remain committed to advocating for the best interests of our residents.

I'm excited to announce the launch of "Commissioner on Your Corner," where residents can speak directly with me about their concerns and ideas. I've had productive conversations with Woodlands residents on topics like beautification, green space for Glades West Golf Course, speeding in Mainlands 8 & 9 and requests for Spanish correspondence in Lime Bay. In collaboration with Code and BSO, we are bringing a more personalized approach right to your doorstep.

Lastly, congratulations to Tamarac Fire Rescue as they celebrated 50 years of dedicated service to our community. They have not only been a vital part of Tamarac's safety and well-being, but also an award-winning department that is recognized for their excellence and commitment.

As always, please feel free to reach out to me at [Morey.Wright@Tamarac.org](mailto:Morey.Wright@Tamarac.org). I am here to serve you, and I look forward to connecting with you soon.

Warm regards,  
Morey Wright, Jr.

## Commission Editorial Commissioner Krystal Patterson, District 3

**D**ear District 3,

Spring is in full swing, and I'm excited about the opportunities ahead for our community. Over the past few months, we have come together to celebrate our history, uplift our residents, and lay the foundation for continued progress in Tamarac. As we move into the next quarter, I look forward to building on this momentum and working with you to make District 3 even stronger.

### Mark Your Calendar: District 3 Townhall

I look forward to connecting with you at our District 3 Townhall on May 21, at 6:30 PM at Woodmont Country Club. This is your chance to stay informed, share your thoughts, and hear about the latest projects. I hope to see you there!

### District 3 Residential Assistance Program

It was inspiring to see our diverse community come together at the One Tamarac Multicultural Festival. I was proud to launch the District 3 Residential Assistance Program, securing \$230,000 to help residents with HOA/condo fees, rent, mortgages, and utilities. Seniors and public service workers will be prioritized.

### Honoring Kings Point

I am proud to announce that NW 80th Street is now dual-named "Kings Point Way" to honor the 9,000+ residents of Kings Point. This community is an integral part of Tamarac, and I'm honored to help ensure its legacy is recognized.

### Senior Advisory Committee Approved

Keeping my promise, I championed the creation of the Senior Advisory Committee, which has now been approved! This committee will advocate for seniors, ensuring they have access to housing, healthcare, and social services in Tamarac.

### Advocating for District 3 in Tallahassee

In February, we traveled to Tallahassee to fight for funding and legislative support for Tamarac. I'm thrilled to share that we pushed for \$1.5M in funding for critical projects:

- **\$750K** – Expanding the Underground Fiber Network to enhance public safety, Wi-Fi, and storm resilience.
- **\$750K** – Upgrading wastewater infrastructure to modernize lift stations and protect public health.

Beyond funding, I advocated for affordable housing, public transit, condo assessment reform, and property tax relief—issues that directly impact our community.

Thank you for your trust and support. I am committed to serving you with dedication and passion. My door is always open!

Warm regards,  
Krystal Patterson, MPA, FRA-RA

# ARE YOU READY FOR THE 2025 HURRICANE SEASON?

The 2025 Atlantic Hurricane Season officially begins on June 1. Here are a few tips to help you safely weather a storm.

## EVALUATE YOUR RISK

- Tamarac isn't in a mandatory evacuation zone; however, parts of the City are in flood zones. Review the 2025 Flood Brochure that's included in this edition of Tam-A-Gram to determine whether your property is in a flood zone. Through the guide, you will also learn about flood hazards and insurance. Additional flood information is available at [www.Tamarac.org/420](http://www.Tamarac.org/420).
- Consider the special needs of all household members. Don't forget your pets!
- Review insurance policies before the start of the hurricane season to ensure you understand your coverage. Insurance providers prohibit individuals from purchasing new homeowners' insurance policies or raising the coverage limits on existing policies when a natural disaster is approaching.

## MAKE A PLAN

- Decide in advance whether you'll stay or evacuate.
- Make pre-storm arrangements if you need help installing shutters and preparing your home.
- Share your plans with friends and family before a hurricane. Be sure to also have a post-storm communication plan.

## BE PREPARED

- Repair, update and hurricane-proof your home before the start of hurricane season.
- Trim trees before a hurricane threatens to ensure debris is collected in advance.
- Stock up on supplies and medicines family members need. For suggested provisions, visit [www.Ready.gov/Build-a-Kit](http://www.Ready.gov/Build-a-Kit).
- Have gas in your car and cash on hand when a storm threatens. Gas pumps and ATMs may not work in post-storm power outages.

- For additional details about storm preparation, visit [www.Tamarac.org/EmergencyManagement](http://www.Tamarac.org/EmergencyManagement).

## BE AWARE

- Monitor local news and weather announcements, especially once storm watches and warnings are declared.
- Visit [www.Tamarac.org/CodeRED](http://www.Tamarac.org/CodeRED) to sign up for free CodeRED emergency notifications.
- For City emails, click the "Stay Connected" button on the homepage to subscribe to the "City-At-Large" and "District" lists.
- Watch for regular hurricane updates on the City's website and social media.

# TAMARAC'S ANNUAL MULTICULTURAL OPEN-AIR FESTIVAL

No passport was required, as guests enjoyed cultural performances, international cuisine and a vendor market at the vibrant and inclusive One Tamarac Multicultural Festival held on Saturday, Feb. 8, at the Tamarac Sports Complex. The celebration featured energetic entertainment by Cachi Y Saoco Nuevo and soulful rhythms by headliner Dancing on The Ceiling, an 8-piece Lionel Richie and Commodores tribute band. The community stage featured international acts by Thai Nattasin, Venezuela Danza Y Tambor, Voces De America, Drake Irish Dance School and the Junkanoo Band. Across the lawn stretching the length of the field was a lineup of bounce houses, kid-friendly activity booths and life-sized lawn games for the whole family. As the stars began to twinkle, the City's laser light show lit up the sky to close the evening.

# HELPFUL WATER SAFETY TIPS

**M**any Floridians enjoy spending hot summer days by the pool, but amidst the fun and laughter, safety must remain a priority. Tragedy can strike in an instant when precautions are overlooked.

Florida leads the nation in drowning deaths among children ages 1 to 4, according to the Florida Department of Health. Nationally, drowning is the leading cause of death for children in this age group.

Between Florida being surrounded by water and many homes having backyard pools, teaching children to swim is not optional—it's essential. The City of Tamarac's Caporella Aquatic Center provides swimming lessons and critical water safety programs. Visit [www.CaporellaAquaticCenter.com](http://www.CaporellaAquaticCenter.com) to learn more and take action today.

Join the City for a day of fun, learning and, most importantly, ensuring the safety of our community in and around water at the Pirate Plunge & Safety Sail, on Saturday, May 17 at 10 a.m., at the Caporella Aquatic Complex. The event delivers hands-on life-saving swim skills. Preregistration is required by visiting [www.Tamarac.me/Events](http://www.Tamarac.me/Events). Admission is free.

## HELPFUL WATER SAFETY REMINDERS FROM TAMARAC FIRE RESCUE:

- **Never leave a child alone in or near water, not even to refill your drink. According to the U.S. Army Corps of Engineers, it only takes 20 seconds for a child to drown. That's about the same amount of time it takes to read and respond to the average text message.**
- **Leave all distractions, including your phone and tablet, inside and closely watch those in the pool. Not only does drowning happen quickly, but in many cases, it's a silent tragedy.**
- **Install fences and alarms around your pool or lake. It can save a life!**
- **Call Tamarac Fire Rescue at (954) 597-3800 or visit [www.Tamarac.org/](http://www.Tamarac.org/) CPR to sign up for CPR and first-aid training.**
- **Always call 911 in case of an emergency.**

## GREEN SCENE:

Spring is here! Whether you conduct a thorough cleaning routine every spring or quarterly, here are some tips to assist in maintaining an environmentally friendly and eco-conscious approach to cleaning.

- **Declutter before cleaning.** You can donate unwanted items to give them new life instead of discarding them.
- **Replace disposable paper towels with reusable and washable alternatives like cut-up old T-shirts for cleaning purposes.**
- **Create an all-purpose cleaner by combining 1/4 cup of vinegar, 3/4 cup of water and a few drops of your favorite essential oil (optional) in a spray bottle.**
- **Reusing and repurposing household items can give them a new purpose.** For instance, a shoebox can effectively organize small items, and an empty spice container can store paper clips or thumbtacks.

# TAMARAC FIRE RESCUE CELEBRATES 50 YEARS OF SERVICE

On January 25, Tamarac Fire Rescue celebrated its 50th anniversary at Station 36, which kicked-off with an opening ceremony by the Tamarac Honor Guard. Guests enjoyed live demonstrations, including a fire sprinkler side-by-side burn, vehicle extrication with a medical scenario and a push-in ceremony for the brand-new Engine 36. The event brought together retired and current firefighters, including one of the first hired firefighters, the American Red Cross, Sparky the Fire Dog and more to honor Tamarac Fire Rescue's past, present and future.

The celebration highlighted how far Tamarac Fire Rescue has come since its inception. In 1975, the Public Safety Unit operated from the original City Hall on Rock Island Road, using a picnic table for meetings and even slept on the Commission Chamber floor to stay ready for emergencies. In 1978, the City opened its first fire station—where Station 41 stands today on Pine Island Road. Fast forward to today, Tamarac Fire Rescue is stronger than ever, running more than 14,000 emergency incidents out of four fire stations with 132 employees.

Imagine perfectly marinated jerk chicken, grilled to smoky perfection with crispy skin and tender, spicy meat. Pair it with fluffy rice and peas for the ultimate treat. The menu also features golden, crispy fried chicken, tender curry goat, savory oxtail stewed to perfection and the must-try jerk pork.

**What makes Butter Flakes stand out isn't just the bold flavors, though.**

It's the dedication to consistency and quality that shines in every dish. With only two chefs in the kitchen, you can be sure that each plate that leaves the kitchen is made with care, precision and a whole lot of love. For Christopher and Harry, it's all about making sure every guest feels like family, from when they walk in to when they leave - with a smile and perhaps a little extra jerk chicken to go. While Butter Flakes is all about food, the duo behind the restaurant is also passionate about giving back to the community. Christopher and Harry are constantly looking for ways to support Tamarac and beyond, whether it's through community events or local outreach programs. Their commitment to service and quality is matched only by their dedication to making a positive impact on the people around them.

# VOLUNTEER SPOTLIGHT

**N**atacha Rodriguez has always had a heart for giving back to her community, and she turned that passion into action by launching in-person Spanish classes with the City of Tamarac in January 2000. These classes switched to Zoom in 2020 when in-person classes were temporarily suspended due to COVID-19; she's been leading her Spanish classes on Zoom ever since. "I wanted to give back to the community, help others learn a new language, gain teaching experience, and connect with people." Thanks to her dedication, she's built a loyal following of students. We're incredibly grateful for her unwavering commitment to keeping the class going for all these years. Thank you, Natacha!
