# HERE'S TO A GREAT 2026, TAMARAC!

**A**s we step into a brand-new year, we embrace not just a calendar change, but a season of growth, opportunity, and connection. Tamarac continues to be *The City For Your Life*, a place where neighbors become friends, communities come together and every small action helps shape the City we love.

This year promises many moments to celebrate and enjoy together. There will be lively festivals, family-friendly events, concerts, seasonal traditions and community gatherings. There are countless ways to engage, connect and make memories right here at home.

Check out the City's calendar and sign up to get notifications about the events you want to attend!

There is always room to stay informed about City Commission meetings, community meetings and Neighborhood District meetings — be sure to watch for those dates.

As you read through this edition of **Tam-A-Gram**, you'll find reflections on 2025 and a glimpse of what's ahead in 2026. Let's carry forward the optimism, pride and sense of community that define our City. Together, we can make this year one of joy, connection and progress.

Here's to a bright, inspiring and prosperous 2026 in Tamarac!

## Commission Editorial Mayor Michelle J. Gomez

Dear Neighbors,

Are we ready for a new year filled with countless things to do?

As we start 2026, some of us make resolutions to stay or get fit. So we are continuing with Running on Tamarac every 2nd Saturday of each month from 7:00 a.m. to 9:00 a.m. at Tephford Park and I've added another free Move with the Mayor workout each month.

The first quarter classes are:

- Beat Burners on Wednesday, January 7th at 7:00 p.m. (Tamarac Community Center - TCC)
- Strength & Tone on Tuesday, January 20th at 7:00 p.m. (Tamarac Park - TPK)
- Zumba on Monday, February 2nd at 6:30 p.m. (Tamarac Park)
- 20/20/20 on Thursday, February 18th at 6:30 p.m. (TPK)
- Strength & Balance on Wednesday, March 4th at 6:00 p.m. (TCC)
- Body Sculpting on Friday, March 19th at 6:00 p.m. (TCC)

For the rest of the year's schedule, check out the flyers at City facilities or my social media. And thank you HCA Woodmont Hospital and RunningEdge954 for your support of these fitness events!

On Jan. 31st, please join me at 10:30 a.m. at Veterans Park for the dedication of the Liberty Tree to commemorate America's 250th Anniversary. This tribute from the Sons of the American Revolution will honor our Veterans and patriots who have served and preserve our freedom. We'll celebrate fantastic music by a Capella group, the Miamians, and light refreshments.

On Saturday, February 21st, it is time for the 2026 FurEver Friends Pet Expo from 10:00 a.m. to 1:00 p.m. at Tamarac Park. This family-friendly event will feature pet CPR demonstrations, vendors, pet parade, and the chance to adopt your next dog, cat, or bird (or two of one or one of each)! Pets on leashes are encouraged to attend.

With time flying, we are back to Daylight Savings Time on Sunday, March 8th, so please be sure to move your clocks ahead before you go to bed on Saturday night!

As always, please reach out via phone (954-597-3462 office or 954-263-1918 cell) or email (Michelle.Gomez@Tamarac.org) if you have questions or need any assistance.

**Looking forward to a fantastic 2026 with you!**

Warm regards,

Michelle

## Commission Editorial Vice Mayor Marlon Bolton, District 1

**N**eighbors and Friends,

I trust you all had a great holiday season, and I hope you spent time with your family and friends. This is my first newsletter of the New Year, so firstly, let me wish everyone a happy and healthy 2026.

Looking back at 2025, I'm thrilled to share the incredible success of our recent events, Tamarac for the Cure and the Pink Heroes Gala, which brought together our community to raise awareness for Breast Cancer. As the proud visionary, I was honored to see our efforts come to life, and I'm grateful to everyone who joined us for this important cause. We were especially thrilled to welcome Olympic Gold Medalist and World Champion, Yohan Blake, who brought an extra dose of star power to our events.

Our initiatives did not go unnoticed, garnering more than 120,000 online views, amplifying awareness about our mission and the meaningful impact of our events.

One of the standout moments was The Pink Heroes Gala, where we proudly honored two extraordinary women: media mogul Dr. Nadine Blair and entrepreneur mogul and philanthropist Dr. Trisha Bailey, owner of Bailey's Pharmacy and Bailey's

Medical Equipment & Supplies, with a location right here in our beautiful city of Tamarac.

Both trailblazing women received prestigious awards from local and federal elected officials, recognizing their remarkable contributions and unwavering service to our community.

A heartfelt thank you goes to Dr. Trisha Bailey for her generous support, which helped secure a custom art piece created by local artist Orel Ferguson of Uncut Glass Pictures. The proceeds from this piece will go directly toward supporting our local Veterans, creating a tangible and lasting impact on their lives.

Looking ahead, we will be hosting our first goal-setting retreat of the year. During this meeting, we will discuss how we will move our priorities for East Tamarac forward.

Again, I want to wish you a Happy New Year and I look forward to serving you again this year and beyond!

Marlon D. Bolton, Commissioner, District 1

**Art meets philanthropy!** Dr. Trisha Bailey, owner of Bailey's Pharmacy and Bailey's Medical Equipment & Supplies, unveils her stunning new piece from Orel Ferguson of Broken Glass Pictures procured at the Pink Heroes Gala to supporting local charities & breast cancer awareness.

## Commission Editorial Commissioner Morey Wright, District 2

**H**appy New Year, Tamarac!

As we welcome 2026, I want to extend my sincere gratitude to the residents of District 2 for your continued engagement, support, and partnership throughout the past year. Together, we have built momentum toward a future that empowers families, strengthens our neighborhoods, and continues to move Tamarac forward.

### Celebrating the TEED Program

One of the most meaningful accomplishments of 2025 was the launch of the Tamarac Economic Empowerment Dividend (TEED) program, an initiative I am deeply proud to have created. TEED reflects our commitment to direct community investment and to meeting residents where they are with real support that makes a difference.

The program provides qualifying District 2 residents with monthly financial assistance for six months to help manage everyday expenses.

Importantly, TEED is not funded by taxpayer dollars. It is supported through District Funds generated by developer contributions, ensuring that community development directly benefits the residents who make Tamarac the thriving community it is today.

### A Year Full of Community & Connection

2025 was a vibrant year filled with events that brought us together including festivals, neighborhood gatherings, civic meetings, cultural celebrations, resource fairs, and more.

These moments of connection reflect the spirit of Tamarac: neighbors supporting neighbors, families building memories, and a community that values coming together.

Thank you to everyone who attended, volunteered, supported, and helped make each event memorable.

Looking ahead to 2026, I believe the best is still to

come. We have several exciting events planned for the new year that I'm thrilled to share:

- **Exercise Event Series at the Tamarac Village Amphitheater**, January 17, February 21, and March 14
- **Commissioner on Your Corner**, January 24

I invite you to stay engaged, stay involved, and continue sharing your ideas, needs, and vision for your neighborhood. Your voice drives our progress.

Thank you for the honor of serving you. It is a privilege to represent such a diverse, dynamic, and inspiring community.

Wishing you and your families a happy, healthy, and prosperous New Year.

Morey Wright, Jr.  
Commissioner, District 2

## Commission Editorial Commissioner Krystal Patterson, District 3

### A Year of Impact: Commissioner Krystal Patterson Reflects on Progress Across District 3

Happy New Year! I hope you enjoyed the holiday season and feel as energized as I do for the months ahead. The last six months was a powerful reminder of what happens when we center our work on compassion, innovation, and community.

My Breaking Barriers Health Initiative provided essential preventive care to families across District 3. Through partnerships with Baptist Health’s Christine E. Lynn MammoVan and AAA Urgent Care, we delivered more than 20 critical breast-health screenings, along with 12 back-to-school and sports physicals—ensuring our residents, especially our youth, have access to the care they need to stay healthy.

The holiday season brought another moment of service through our Thanksgiving Gobble Gift Card Giveaway, which supported 250 families across District 3. Seeing the gratitude of parents, seniors, and working families reminded me why every act of service matters.

#### SERVICE AT A GLANCE

**Healthcare Access:** 20+ mammograms & breast-health screenings

**Youth Support:** 12 back-to-school & sports physicals

**Holiday Relief:** 250 families assisted

**No Tax Increase:** Voted against millage rate hike

**Legislative Progress:** Anti-bully & anti-hate policy Tamarac Be Kind Movement

**Transparency Reform:** Pre-Application Meeting Ordinance adopted (Sept. 10, 2025)

**Fiscal Savings:** BSO contract restructuring saved significant funds

**Community Engagement:** Community visits—Springlake, Springlake Villas, Kings Point, Westwood

**Local Support:** Donations to Caribbean American Club KPIT, Dare to Care Inc., Kings Point Veterans’ Club, Kiwanis Club of Tamarac, Tamarac Cougars Youth Football League

This year’s legislative work was especially meaningful. I spearheaded the City’s anti-bullying and anti-hate legislation, which led to the creation of the Tamarac Be Kind Movement—a citywide effort promoting respect, empathy, and unity. I also proudly voted to keep the millage rate flat, ensuring residents were not burdened by higher taxes.

I championed a major transparency reform to the City’s Zoning Pre-Application Neighborhood Meeting process. The updated ordinance expands resident notification—requiring individual notices for townhome, condominium, and timeshare communities. This change ensures residents receive earlier, clearer information and have a stronger voice in development affecting their neighborhoods.

A significant financial achievement came through BSO contract negotiations, where I helped secure a model that eliminates separate billing for special details—delivering long-term savings for taxpayers.

Throughout the year, I stayed deeply connected to community needs by attending community meetings in Springlake, Springlake Villas, Kings Point, and Westwood; hosting town halls; revisiting District 3 Bus Tour stops; and supporting local organizations that uplift our youth, veterans, and families.

As we move forward, I remain committed to working for YOU! I hope to see you at the K.I.N.D. Community Bike Ride on January 17th. Let’s start 2026 strong! Together, we will continue building a District 3 defined by unity, compassion, and meaningful progress.

Warm regards,  
Krystal Patterson, MPA, FRA-RA  
City Commissioner, District 3

## Commission Editorial Commissioner Kicia Daniel, District 4

**A**s we begin a new year, I want to take a moment to reflect on all that we experienced and accomplished together in 2025. I am truly grateful for the connection, resilience, and community spirit that continue to define District 4 and the City of Tamarac.

This past year brought meaningful improvements across District 4, made possible through intentional advocacy, collaboration, and a strong commitment to delivering results for residents. One of the most visible projects has been the progress at the Old Winn-Dixie Plaza. Through continued engagement and persistence, this long-standing concern is now moving toward becoming a revitalized space the community can once again take pride in. Street beautification also took center stage this year, with new landscaping improvements introduced to enhance curb appeal and bring fresh life to our neighborhoods.

Another major milestone was the construction of the new wall along Southgate and NW 81st. This improvement reflects a direct response to resident concerns, providing both enhanced

aesthetics and an added sense of security. On the east side of District 4, long-awaited street repaving became a reality—improving roadway conditions and making daily travel safer and more convenient for residents.

Public safety remained a top priority throughout the year. Through focused efforts and strong partnerships, lighting throughout District 4 was repaired or replaced to improve visibility in key areas. We also welcomed the installation of speed cameras, along with an increased presence from the Broward Sheriff's Office, to address speeding concerns and reinforce safety in our neighborhoods.

As we welcome 2026, I wish you and your loved ones a healthy, joyful, and peaceful New Year. I remain fully committed to listening, advocating and working together. Together, we will continue building a safer, stronger, and more vibrant District 4.

Yours in Service,  
Dr. Kicia Daniel  
Vice Mayor, District 4

## VOLUNTEER SPOTLIGHT

Lynn Caggiano has been a joyful part of the Tamarac Historical Society since 2013. As a former CPA, she's happy to share her accounting expertise as the Society's treasurer for 11

years. Lynn's always ready with creative ideas, thoughtful suggestions and a helping hand at every event. With her love of Tamarac's history, her background as an elementary school teacher and her lifelong passion for historical heritage, she fits right in with the Tamarac Historical Society.

# NOMINATIONS ARE NOW OPEN FOR THE 2026 WOMEN'S HISTORY MONTH RECOGNITION PROGRAM

**Y**ou are invited to nominate a woman from your district who exemplifies exceptional service and leadership. Please share how your nominee has made a meaningful and lasting impact in the community

To submit a nomination, complete the online form at [Tamarac.me/RGBtamarac](https://Tamarac.me/RGBtamarac) or contact your Commissioner or representative on the RBG Commission for assistance.

The program seeks to recognize women during Women's History Month who live, own a business or work in the City of Tamarac. They should have successfully demonstrated a willingness to serve and have made a significant impact on women in the City outside of their paid employment or business responsibilities.

District Commissioners will make their selections from nominees living or working in their districts. The Mayor will make her selection from all nominations submitted.

## Nominees must:

- Be a resident, own a business or work in the City of Tamarac.
- Demonstrate a commitment to the City of Tamarac by sharing their skills, time and talents in ways that benefit women outside of their professional obligations and fosters growth and development.

The deadline for submitting nominations is January 23, 2026.

Scan the QR code to submit your nomination.

## TAMARAC CITY COMMISSION APPOINTS MARLON BOLTON AS VICE MAYOR

**D**uring the City of Tamarac's Regular Commission Meeting on Dec. 10, District 1 Commissioner Marlon Bolton was unanimously appointed as the City's Vice Mayor for a one-year term ending in December 2026.

Vice Mayor Bolton, who has served on the Commission since 2016, previously held this role in 2019 and 2022. He has championed key initiatives such as the Ruth Bader Ginsburg Commission on the Status of Women and the Medal of Honor civic award and is an active member of the National Black Caucus of Local and Elected Officials. Congratulations, Vice Mayor Marlon Bolton!

# GREEN SCENE: HOUSEHOLD HAZARDOUS WASTE EVENTS

Tamarac participates with six other cities to host household hazardous waste and e-waste drop-off events for residents. These events offer a convenient and responsible way to properly dispose of certain hazardous household items. You're invited to take part in any of the upcoming events mentioned below. Please remember to bring proof of residency. Details regarding times, locations and a comprehensive list of accepted materials can be found at [Tamarac.gov/HazardousWaste](http://Tamarac.gov/HazardousWaste).

# UNDERSTANDING YOUR PROPERTY TAXES

## How Your Tax Bill is Calculated

Your property tax amount is based on the assessed value of your property set by the Broward County Property Appraiser's Office (BCPA) and tax rates set by various taxing authorities. Taxes on real property (ad valorem and non-ad valorem) are collected annually beginning November 1 of the tax year, which is January through December.

## How Much Goes to the City of Tamarac?

For every tax\* dollar you pay 33¢ goes to the City of Tamarac while 67¢ goes to other taxing agencies in Broward County.

## Programs and Services Supported by Your Tax Dollars

Your property tax dollars help support a variety of programs and services provided by the City of Tamarac. From neighborhood parks and green spaces to community shuttle service and garbage/recycling/bulk services.

**Millage Rate**  
The City of Tamarac  
has a rate of 3.0000  
mills (3%)

# A BRIGHT BEGINNING: THE STORY OF AMERICAN EAGLE ACADEMY

Each morning at American Eagle Academy, a young child walks into a bright, welcoming classroom filled with familiar faces and inviting activities. After hanging up their backpack, they find their spot on the story-time rug, settle in and begin their day surrounded by care, curiosity and encouragement. Moments like these reflect the true heart of American Eagle Academy, a nurturing place where children grow, explore and feel right at home.

For years, the Academy has served as a second home for families, growing from a small neighborhood preschool into a modern, nurturing educational community. Its philosophy is simple but powerful: children learn best when they feel loved, encouraged and excited to explore. That philosophy comes to life every day through hands-on learning, purposeful play and social-emotional development woven into every activity.

American Eagle Academy serves children from infancy through age 12, offering infant care, preschool, VPK, before-and after-care and year-round camps. Families appreciate that everything children need to learn and thrive is right on campus. Modern features like a STEAM lab, computer area, library and even a swimming pool for summer programs set the Academy apart. Classrooms have private bathrooms, children rotate through engaging learning environments and every student receives free nutritious breakfast, lunch and snacks.

Using the Starfall Curriculum, teachers guide students through early literacy, phonics, math readiness and creative exploration. Play remains at the center, whether through music, movement,

sensory activities, outdoor learning or art. These experiences help children build confidence, curiosity and strong academic foundations, leading to the school's consistently excellent VPK test scores.

Parents often say that what makes the Academy truly special is the staff: caring early childhood professionals who are CPR/First Aid certified, highly trained and deeply dedicated to their students. Through ClassDojo and Procure, parents receive real-time updates and stay connected to their child's learning, creating strong family partnerships.

The school's calendar is filled with celebrations and traditions that include cultural events, pajama days, family nights, holiday programs and seasonal camps. Many parents note how much their children grow during their time at the Academy, becoming more independent, confident, social and academically ready for kindergarten.

American Eagle Academy has made a lasting impact on the Tamarac community by providing a safe, loving and academically rich environment that supports working families year-round. And the school is still growing, with plans to enhance its STEAM offerings, expand Spanish immersion and continue strengthening family and community connections.

For a child walking into the classroom each day, American Eagle Academy is more than a school, it's a place where they learn, discover, and shine.

**American Eagle Academy is located at 10046 W. McNab Road.**

# TAMARAC'S HOLIDAY RECAP

Tamarac's 2025 holiday season brought in festive experiences for all ages!

On Thanksgiving morning, Thursday, November 27, 2,500 registered runners, trotters and walkers participated in the annual **Tamarac Turkey Trot 5K**. The morning included an awards presentation and an athletic exhibitor hall.

Kicking off December, the City welcomed the return of **Santa's Community Ride**, the festive experience offered for elves-in-training to track Santa's sleigh in real-time as he made special stops throughout the City.

On Saturday, December 6, the annual **Holiday Lighting Celebration** began with the arrival of Santa on a decorated holiday boat! Guests enjoyed pictures with costumed characters, light refreshments from food trucks, and live musical performances by renowned artists Myron Butler, Orale Johnson and Javis Mays.

Dazzling holiday lights were on display for the annual **Winter Wonderland** celebration.

This enchanting event included hands-on holiday-themed arts and crafts for kids, photo opportunities with Santa and inflatable rides.

As the holiday celebrations began to wind down, Santa Calus joined Tamarac's pet owners and pups for the City's annual **Paws with Claus Holiday Paw-Ty**. Residents and their four-legged friends enjoyed a Holiday Hound Contest, pups played in designated pet areas and the Humane Society of Broward County provided on-site pet adoptions.

# TAMARAC'S BLUEPRINT FOR THE FUTURE A FRESH LOOK AT THE CITY'S VISION

**T**amarac is growing, evolving and planning for what comes next. At the center of that effort is the 2050 Comprehensive Plan, the City's long range guide for building a vibrant, connected and future ready community.

Think of it as Tamarac's master playbook. It sets clear goals and practical strategies that influence decisions about parks, housing, transportation, green spaces, and business areas across the city.

What sets this plan apart is community input. Residents helped shape it through workshops, surveys, and public meetings, identifying priorities such as strong neighborhoods, improved mobility, local economic growth and places that bring people together.

The plan outlines how Tamarac can grow while preserving the character residents value. It addresses affordability, sustainability, transportation and economic opportunity in a coordinated and forward looking way.

Most importantly, this is not a document that sits on a shelf. It is a living roadmap that guides decisions today and evolves as the City's needs change.

Tamarac's future is bright, and the 2050 Comprehensive Plan is the blueprint helping move the City forward, one thoughtful, community centered step at a time.

For more information and to read the full Comprehensive Plan, visit [Tamarac.gov/1191](http://Tamarac.gov/1191)
